Dear Ms. Uzoh:

It was my pleasure to be able to visit with you on the telephone this morning and tell you about the reservation arrangements for the EBU National Convention to be held June 30 – July 4, 2016 in Houston Texas.

What sets the Crowne Plaza Suites apart from the rest of the competition is our extra large all suites two room modern accommodations, friendly & efficient service and our culture of exceeding our guest's expectation at every interaction. We only hire for attitude and train for skill which is readily seen and demonstrated consistently by all of our valued long term managers and associates. This feat has been applauded loudly by our patrons on the world's premium travel website [www.tripadvisor.com](http://www.tripadvisor.com) where we broke the top #10 amongst over 430 hotels in the Houston Metroplex this year. We also continue to carry the torch of being the #1 hotel in Guest Satisfaction Scores amongst all Crowne Plaza Hotels in Houston.

A block of king bedded suites and queen-bedded (2 Beds) suites has been reserved for use by the persons attending the EBU National Convention. **The cut-off date for these reservations is June 11, 2016.** This date is final. No extensions are available. We must have all reservations by this date.

A special group rate of \$109 plus tax per room has been set up for EBU convention attendees. The rate is inclusive of a buffet breakfast, three per each room. Each additional breakfast will be \$5.00.

To make a reservation on your computer, log on <http://www.crowneplazasuites.com/EGU>. The website will direct and assist you to make your reservation.

Or, you may call the hotel direct, 1-713-995-0123, ask for **In-House Reservations** and identify yourself as part of the EBU National Convention group to receive the group rate. If you still have difficulties, ask to speak to me direct at extension 143 and I'll make the reservation for you.

Please call me if you have any questions or need additional information.
